Abstract

Text of the abstract (paragraph with no indentation).

Keywords: keywords go here

APA Heading Level 1

APA Heading Level 2

APA Heading Level 3.

APA Heading Level 4.

APA heading Level 5.

Normal body paragraph. Use this style for all continuous text.

Long quote paragraph. Use for quoted text longer than 40 words.

References

American Psychological Association (2001). *Publication manual of the American Psychological Association* (5th ed.). Washington, DC: American Psychological Association.

The above reference is formatted by selecting the “References” option from the Style menu. It automatically formats the paragraph with a ½ inch hanging indent. Proper italicization of the title is your responsibility. Delete the above reference and this text, and then fill this page with your own lists of references.

Appendix A

Table A-1

Example for an appendix with a table (this is the table title)

(here goes the table)

Note: Explanations to the table contents.
