MASTERCOURSE BMSc, GRADING SHEET FOR ELECTIVE MODULE

Student full name: ____________________________________________________
Matriculation #: ____________________________________________________

Title of elective module: ______________________________________________
Duration from: _________________________ to: ____________________________

Science, theoretical

The student
- demonstrates basic knowledge commensurate with his/her level of education Grade: 
- acquires lacking theoretical knowledge independently and efficiently Grade: 
- is able to distill facts from scientific papers efficiently and Grade: 
in a goal-oriented manner
- is focused on the problem at hand without loosing the ‘grand view’ Grade: 
- chooses appropriate strategies to solve the scientific question at hand Grade: 
- selects adequate experimental methods to solve scientific question Grade: 
- is capable of developing alternative experimental strategies if the Grade: 
  primary approach fails

Subgrade 1  (Science, theoretical)

Science, practical/skills

The student
- performs experiments according to laboratory standards Grade: 
- acquires new techniques and skills efficiently Grade: 
- is capable of careful and appropriate data interpretation Grade: 
- demonstrates appropriate use of statistical methods Grade: 
- keeps a well-structured lab notebook which can be understood by Grade: 
  the mentors
- establishes small but adequate reference database for the scientific Grade: 
  problem under investigation
- composes a short final report according to standards of scientific papers Grade: 

Subgrade 2  (Science, practical)
The student
- demonstrates professionalism in attitude and interaction with colleagues  Grade: 
- gives attention to and follows safety rules and regulations of the lab  Grade: 
- treats laboratory equipment carefully  Grade: 
- is capable of working autonomously  Grade: 
- has organizational and time management skills  Grade: 

Subgrade 3  (Others)

Average of subgrades (1-3, format 0.00)

Final grade (rounded to .0 or .5)

Comments pertaining to the grades (if any):

With their signatures, the module leader and supervisor attest that
- the grades were reached in a consensual manner, and
- that the student has participated in the entire elective module
