

(EX)CHANGE YOUR LIFE!

What we do

We want to make the stay of Erasmus exchange students and their integration at our university as smooth, interesting and fun as possible!

- we **organize** various **events** and experiences as social opportunities throughout the semester
- we **help** them with any kind of query concerning their stay in a foreign country (medical appointments, translations, information or simply a shoulder to cry on)

OUR TEAM

ESN Bern is a local representative office of the largest student association in Europe. We strive to create an exciting and inclusive environment for incoming exchange students, by organizing cultural and social events throughout the semester.

Our team supports our Bernese guests by providing them with fun intercultural experiences, opportunities to bond with new people, as well as useful information about their stay in Bern.
