Icebreaker

Getting to know each other

What's your name?

What's your nationality?

Is this your first time in Switzerland?
Have you eaten Fondue or Raclette
before?

What are you studying?

Do you speak any German (or French
or Italian?)

Tell each other a fun fact about
yourselves!

University of Bern

International students' impressions

*Bern is a very beautiful place,
it is very practical, safe, clean, organized.
The University is very well localized, easy to
reach by any of the great possibilities of
transport. (...) If you do not speak German,
the language could be a small problem,
because some people do not speak
English, but most of them do.*

Engineering
