Mendeley Reference Manager

Two versions

The image shows two side-by-side screenshots of the Mendeley Reference Manager interface. The left screenshot is labeled 'Desktop' and the right is labeled 'Web version'. A red arrow with the word 'Sync.' points from the Desktop version to the Web version, with a cloud icon above it. Both versions show a 'Library' view with a list of references. The Desktop version has a simpler table with columns for 'AUTHORS', 'YEAR', and 'TITLE'. The Web version has a more detailed table with columns for 'AUTHORS', 'YEAR', 'TITLE', 'SOURCE', and 'ADDED'. The Desktop version also has a sidebar with 'COLLECTIONS' and 'GROUPS' sections.
